MINIMUMS:

An \$250 dollar minimum order is required. Trays are of a SINGLE PLANT TYPE; we do not offer mixed flats. Therefore, plants are available in quantities of 32, 50 or 72 per tray.

PAYMENTS:

Your invoice will be emailed to you, and available to view and pay online. Please be sure to provide an accurate email contact to receive invoices. You may request to continue to have your invoice mailed via USPS, and are welcome to continue to pay via company check. Payments are due upon receipt of plant material. Credit accounts may be established with terms of 30 days by filling out a credit application with our office. Any credit account with a past due balance greater than 60 days automatically changes to COD and will be charged interest.

PLANTS WILL BE HEALTHY: All plants are guaranteed to be true to name and healthy upon receipt. Plants may or may not be cut back. Any claim must be made in writing (email is preferred) within 5 days of receipt of material, and include a photograph. No claims will be considered without notification of a problem within this 5 day window, including dormant plant material. Credit will not be given to plants that have

PLACING AN ORDER:

Email is the best way to place your order. We do not have an ordering system through our website. Orders may also be faxed to 888-998-1952, and you may call our office at 888-998-1951. Please be sure to include the quantity of plants, requested ship dates and destination address. You can expect a prompt response to confirm availability and set up the order for delivery. All orders will receive an acknowledgement via email, READ THIS, and confirm all information to be correct. It is important you review all information, and contact us with any questions or concerns you may have. Orders that are rerouted or returned for incorrect shipping address will incur additional charges.

New Moon produces a wholesale product. Our inventory is routinely cut back in an effort to maintain plug material in large quantities. We will ship dormant plant material. It is your responsibility to know your plants, and consider whether you are prepared to handle dormant plants successfully.

Each plug that we deliver is inspected before it leaves this nursery. Should you have questions about the plants you have received, please let us know within 5 days of delivery. If we do not hear from you, we will not be able to consider future credit or replacement. We ship to most states in the continental United States except AK, AZ, CA, CO, ID, MT, NV, NM, OR, TX, UT, WA, & WY.

All orders must be finalized by 11:00 am Friday the week that precedes your ship date. Once the 11:00 hour passes each Friday, we cannot promise to accommodate changes to your order of any kind. Outside of the spring season we will do our very best to accommodate those last minute needs that are sure to arise, but again, we cannot always turn orders around at the last minute.

CANCELLATIONS:

All cancellations must be received in writing, preferably through email by the Wednesday before your scheduled ship date. We will confirm receipt of your cancellation. If you do not receive confirmation, you cannot be sure your request was received.

PLANT ORDERS THAT CANNOT BE FILLED:

All orders are subject to natural disasters, crop failures or conditions beyond New Moon Nursery's control. We make every effort to inform you of any pending shortages, as soon as possible.

ORDER CLAIM DISPUTES:

New Moon Nursery's total liability is limited to replacement or credit of purchase price. Any disputed claims will be resolved in the jurisdiction of the state of New Jersey, in the county of Salem.

PLANTS HELD BEYOND SHIP DATE:

All orders held beyond 30 days of scheduled ship date will incur a 20% surcharge or risk of cancellation, unless prior arrangements have been made. This means, if you keep delaying your delivery week after week after week, inventory may be lost, penalties may be incurred. Orders scheduled for pick up will be held for only one week grace period, and then returned to inventory, and a 20 % restocking fee incurred.

RESTOCKING FEES/RETURNS:

Restocking fees apply to orders that are refused at delivery, cancelled after the Wednesday prior to your ship date, left waiting for pick up beyond scheduled pick up week, or returned for reasons other than damage or defect. Returned trays should be sent in original packaging, and promptly in order to maintain viability. Credit will not be issues for plant material that has been left to perish.
